The organizer shall notify the winner by displaying his or her name on the Pepita website and on the organizer's Facebook and Instagram pages, and directly via email. The winner is entitled to claim the prize up to 3 days after receiving email notification – or 7 days if no new winner has been drawn.

VI. Drawing a New Winner

The Organizer reserves the right to draw a new winner if the original winner does not claim his/her prize within 3 days (by the 24th hour of the 3rd day after the winner's announcement) or cannot be contacted, or to close the prize draw without drawing a new winner. On the 3rd day following the drawing - or on the 7th day if no new winner is drawn - the original winner loses his/her right to the prize.

VII. Collection of the Prize

The organizer will send the prize by courier within 3 business days after the winner's claim, to the address specified by the winner, which must be within Hungary or the European Union according to the announcement. The winner is responsible for receiving the prize. If the delivery of the prize fails, the organizer will only resend it after the associated costs have been paid. If the prize delivery is not successful within 30 days of the initial dispatch, the winner will forfeit their entitlement to the prize.

The condition for receiving the prize is that the winner consents to the organizer processing their data for five years from the date of receipt.
